RADTKE'S QUEER RIDE

Set Down for Performance on Tommy Waddell.

REFERRED TO JOCKEY CLUB

Mike Clairy's Sprinter Twice Taken Back and His Chances of Victory Jacobite, the Favorite.

New York, Oct. 23.-Jockey Herman Radtke, who last winter was considered row, the Eastern turf, had his license suspended this afternoon by the stewards of the meeting, for what they term a "crim inal" ride on Tommy Waddell, Mike Clairy's good sprinter, Waddell was the second choice in the handicap, the third race on the card, and in his last race a Belmont Park Saturday, he led a field o high-class horses for more than a mile. To-day Waddell was taken back by

Radtke as soon as the barrier was sprung and the boy kept him in last position unti the horses were straightened out in the stretch. Waddell ran all over his field in the next sixteenth, and looked to be in a position to give the winner an argument when Radtke again took him back and kept him there, the horse finishing just outside the money. The betting indi cated just where the horse would finish and a clique kept hunching the price of Waddell, from the time the odds were first posted, and took all that was of fered. The stewards of the meeting re ferred Radtke's case to the Jockey Club which will act upon it next week. Rye Bents Jacobite.

Christie Sullivan's Rye, well played by his owner and friends at 10 to 1, cam-suddenly to life in the Gowanus Stake for platers at six furlongs, winning easily by a length and a half. With Miller up Ryc, who had been badly beaten, in several races, was generally passed up as the smart people took either E. R. Thomas Jacobite, 11 to 10 favorite, or Frank J. Parrell's Keator, 12 to 5, second choice Keator's chances were killed by a ragge start. Miller got off in good shape with Rye, who showed all of his old speed, and came home swinging with Jacobite in the place a length and a half before Wes

Jack Bennett's Macy, jr., 7 to 5 favorite, was much the best in the second race for platers at a mile and a sixteenth, coming to the judges on the bit with four length to spare, in 1:48 3-5. TRACK AND TURF NOTES.

After the eleven days of racing is over it Jamaica, the scene will again shift to Aqueduct, and that meeting will wind up the racing of the Metropolitan circuit. Most of the owners will scatter to the South and West with their horses. Som will wait and campaign the animals a Washington and Baltimore, while others will continue right on to New Orleans nd the two tracks in California. A good many of the more prominent stables will go into retirement, for the winter season

Brighton seems to be getting more popular than ever with owners and trainers. Last year was thought to have been ar Bank Clerks Fail to Win a Contest excellent one for stake entries, but the from the Florists - Double Set coming one will be much better than ever. It appears that for the stakes which closed last Monday the number of entries is about 25 per cent greater. Navy Yard is making a runaway race four for this year, while the Neptune seems able to check them. With only Venus picked up eight mere entries than one game lost in the season, they last formerly, and the Brighton Derby jumped from seventy-eight to 108. Williams will ride again for Jenning and Heatherton, a promising apprentic will be taken West by Reagan. The winter season will open at New Orleans this year on November 24, the Saturday before Thanksgiving Day.

In regard to a proposed match race between Roseben and Lady Amelia at Jamaica, Jack Joyner said that he would consent to a meeting between the two sprinters providing the distance could be limited to five furlongs, but at that he declared he was not overanxious for match because of the uncertain weather and track conditions. This probably means that there will be no match, but that Roseben will be retired for the season after a couple more races.

GRIDIRON GOSSIP.

Yale's goal line does not bear the footprint of an opposing player. Carlisle Indians are going to use two sets of backs in each of their big games. Sheble, who has been declared a failure at quarter back for Pennsylvania, played a star game last Saturdy.

Cornell has the record score for colleges-72 to 0-against Bowdoin last Sat-urday. Carlisle made 82 in a contest 100 urday. Carlisle made 82 in a contest 167 early in the season, but it is not figured 166 as a college. 138 136 199 Michigan, 6; Ohio State University, 6

That score looks out of place some-how. Last year it was 40 to 0. Michigan is not riding rough shod over the smaller elevens this year. Coach Bill Reld expects to put up a punting game when the Harvard team

Chief among the shifts was the moving of the veteran tackle, Bob Forbes, out to end, and placing Paige at left tackle. Howard Jones was sent to the second team, where he must work his way up to the big eleven. Another change was the dropping of Gillies from center and the substitution of of the Boston National League team, berger at left guard, and is the permanent choice for the place.
